

Around  
the Square

The juxtaposition of a kid and a telephone during the lean days of vacation brings all things to all men. To Rudy Hartman last week came a telephone call.

"Do you have iodine in a little bottle?"

"Yes, indeed," said the pharmacist.

"Then you'd better let her out."

Rudy laughed (faintly) and went about his business. A couple of minutes later the phone rang again.

"Do you have any iodine?"

"No," barked Rudy, "I have methylene."

"Thank you, Mr. Hartman. I'll be right down to pick some up."

It was a customer.

And he's probably wondering yet why a well-provisioned pharmacy doesn't carry iodine. In a little bottle.

**Discovery of the week:**

Any similarity between a budget of estimated expenditure and the fiscal report of what got spent, is entirely accidental.

Rusty (Mrs. C. H.) Richardson has been on the trail of a wild German Shepherd dog that has been lurking in the brush up around Canyon Crest. Shy and quick, the dog eluded her until the other day when she marched right up and put a collar and leash around the huge fellow's neck.

He immediately fell apart with joy; wagging his brush, barking and circling, informing her that he would be happy to move in with her and the two dachshunds.

Rusty has learned that the dog is pure blooded, but 30 pounds underweight. So she is feeding him and brushing him and hoping vaguely that somebody who is madly desirous of owning a German Shepherd will read this and give him good, but larger, home.

The dachshunds also hope.

Spied Marshall Mendel (better known as Happy Jr.) in a pair of well-worn Levis and handsome boots. Asked smartly where was the horse—and got properly answered that there were, not one, but three horses. That they were Morgans and consequently, very fine animals. From the light in his eye, judged that they were the love of his life.

THIS WAY TO CITY JAIL PICNIC.

My word, do they give them picnics now?

"Morality," sighed Lee Shippey, "apparently depends greatly upon geography."

Seems he stepped out the Shippey front door and commenced his walk to the big red cars—sans cigarettes.

Ah, he thought, I won't smoke today. Fine idea.

To stoke a full block, burrowing with self-righteousness. With the second block came doubt. With the third, decision. By the time he rounded the bank he had firmly made up his mind.

"Morality," he sighed, and blew a curl of smoke across our desk.

Mark Twain said it—that it was a simple feat to swear off smoking—he should know—he'd done it thousands of times.

HEAVY FINE LEVIED  
ON ANGELENO  
FOR DRUNK DRIVING

A \$125 fine for drunken driving was levied by Judge Noren Eaton last Thursday on Elliot B. Gravette, 46, of 1435 West 130th Street, Los Angeles.

He was arrested Aug. 19 by Officer Rhodes while driving along North Baldwin. Acute alcoholism was diagnosed by Dr. Nathan Jacobs.

## PORTRAIT OF AN ARTIST

—Photo By William Schmidt.

FROM A LONG LIST of subjects to paint "for fun," B. Ward McIvor, famed Sierra Madre portrait artist, chose Alfred James Dewey and trapped him in pastels as he went about his own painting. The portrait, recently done, hangs in the current show at the City Hall and is one of a series which Mrs. McIvor will exhibit in other galleries.

Daughter of the late Irving Ward and Mrs. Mary Ward, well-known poet, Mrs. McIvor is almost a native Sierra Madren and has been commissioned to do pastels of several residents. A portrait of her mother is a companion piece to the Dewey painting in the local exhibit.

Jury Disagrees As  
Charges, Denials  
Traded In Trial

The "Happy Family Hotel" at 225 North Lima Street, once the scene of brilliant telly-ho parties and center of foothill social gatherings during the 90's, blew its gabled roof Monday to disclose a multitude of emotions and slamming doors before a packed courtroom and a representative jury of twelve men who disagreed 8 to 4 on a decision, necessitating calling of a new jury.

Occasion was the trial of Mrs. Anne Black on charges of disturbing the peace of the venerable old halls. She was brought into court on a complaint signed by another tenant, Mrs. Laureline Bolan, and defended by Kenneth Kearney, well-known attorney.

J. M. Leavy, deputy district attorney, who prosecuted the case, arrived late on the scene of action and, although unacquainted with case facts, called up a battery of witnesses who testified one after another that Mrs. Black had, on the evening of August 2, slammed doors, stood by while her sons, Ronald and Richard burned sulphur, thrown a bucket of water at three tenants and sworn at them.

All of these alleged charges were denied by Mrs. Black who claimed that she maintained the barest speaking acquaintance with other occupants of the building, and had not, on August 2, done other than remonstrate with neighbors for flipping a towel at her son who, admittedly, was burning sulphur in the common hallway.

Examination and cross-examination of witnesses was conducted throughout the morning and afternoon with some difficulty as they volunteered information other than requested. Both counsels objected frequently and were sustained or overruled as the judge held.

Mrs. Rebe Dworetzky, a prosecution witness, was asked by Mr. Leavy if she had, on the night of August 2, heard the voice of Mrs. Black.

"I always hear voices," stated Mrs. Dworetzky.

Counsel Kearney, apparently endeavoring to keep his face straight behind his mustache, asked that the reference be stricken. It was.

Considerable confusion seemed to exist in the minds of witnesses when Mr. Kearney

asked them on cross-examination if they had, according to the words of the complaint, been "traded" by Mrs. Black. Complainant Mrs. Bolan confessed that, although her name was signed to the complaint, she did not know the meaning of the word "trade."

Mr. Bolan, her husband, on being asked if he had been "traded" by the defendant, colored slightly and admitted he did not know the word's meaning.

The jury, which had been fine tooth-combed by both prosecution and defense with all women eliminated by Mr. Kearney's action, did not retire, however, without learning the meaning of the word.

Two dictionaries were studied by local police officers who came up with the definition—"to vilify, defame, expose to contempt by slander."

After careful instructions from presiding judge, Noren Eaton, the jury retired to deliberate at 2:30 p. m., returning at 3:30 p. m. to inform the judge that they had been unable to reach a decision.

Judge Eaton called a mistrial and stated that he would have a new jury summoned at a later date.

Jurymen, all prominent Sierra Madren, were: Al S. Myers, John H. Osgood, Al H. Wetherbee, P. L. Bonebrake, Harry A. Lange, Shelby A. Cowart, foreman; Waverly E. Pratt, Francis Eakman, Richard S. Jensen, John C. Loomis, Jr., Clarence Sandage and Frank Spencer.

NOT TOO BAD—  
NOT TOO GOOD—  
OR WHAT HAVE YOU?

The Volunteer Firemen would like to have a piano for their headquarters atop the City Hall and are receptive to any ideas on how to procure one.

According to Chief Hensley, they might be able to pay "something but not much"—they would deeply appreciate not having to pay anything—but on the other hand they want one that is not too bad—and then again not too good.

Anyone having a piano that fits those qualifications is asked to please communicate with the Fire Chief.

1½ Million  
Vehicles Now  
In County

A statistical report received today by the NEWS from the Department of Motor Vehicles shows a total of 1,447,972 motor vehicles of all classes were registered in Los Angeles County during the first six months of 1947. This is exclusive of vehicles upon which no registration fees are paid.

Registrations for the County were classified as follows: Automobiles, 1,232,347; trucks, 101,828; motorcycles, 17,801; trailers, 95,996.

Total fee paid registrations for the entire State was given at 3,529,215 vehicles, a gain of 408,484 vehicles over the corresponding period of 1946.

Statewide registrations were given as follows: Automobiles, 2,878,740; trucks, 317,095; motorcycles, 40,287; trailers, 293,093.

Department collections of revenues from registration and vehicle license fees for the period totaled 145,011,651, a gain of \$17,999,420 over the corresponding period of 1946. The bulk of these funds will be apportioned to the Division of Highways and the several cities and counties of the State in compliance with apportionment statutes.

PLAY DAY DATE  
POSTPONED TO  
SEPTEMBER 13

The town's Play Day, sponsored by the Recreation Commission, has been postponed from August 30 until September 13, the Saturday before school opens, according to Director Sam McElfresh.

The schedule of events for all kids is to include bike and roller skate races, open house at the Youth Hut with an exciting show and refreshments, a swim at the Canyon Plunge and a climaxing Water Carnival with prizes in all events.

Get out the calendar and mark it down—September 13.

Gasoline Tax  
Funds Now  
Distributed

Apportionments of gasoline tax for the quarter ended June 30, 1947, amounted to \$17,599,524, according to a report made today by Thomas H. Kuchel, State Controller. This amount was approximately 1 per cent below figure for the preceding quarter ended March 31, but was an increase of \$1,517,753 over the apportionment for the corresponding quarter last year.

Kuchel said that one third of the total, \$5,866,508 was distributed to the 58 counties of the State, and the remaining \$11,733,016 was deposited in the State Highway Fund. From this amount, the Division of Highways will allocate \$2,933,254 to be expended for street and highway construction and maintenance within the cities of California, and the balance will remain in the Highway Fund to be used for construction and improvement of the State highway system. Los Angeles County will receive a total apportionment of \$2,223,949.36.

1947 Census Held Likely Here As  
City Council Authorizes Price CheckAzusa Votes  
September 12  
On Recall

Friday, September 12, is the date set for Azusa's election on recall of the entire City Council. City Clerk Mae Hynes reported to the Council that sufficient valid signatures of registered voters appeared on the petitions against each councilman to require an election, as authorized by State law.

Meanwhile, a citizens' committee, which has been appointed from service organizations and church groups to investigate the city administration, is conducting fact-finding meetings among original proponents of the recall movement.

RACQUETEERS  
TO ORGANIZE  
TONIGHT

A Sierra Madre tennis club is to be organized this evening as all racquet enthusiasts meet at the Park house at 7 p. m. under the sponsorship of the Recreation Commission.

Prime instigators of the new athletic organization are Buddy Switzer and August-ibe Rillortz. The group will hold tournaments and match play on the local public courts.

Arthur Olson  
To Address  
Lions Club

Scheduled speaker at the Lions Club dinner meeting Thursday will be Arthur Olson of the Hutchins Children's Hospital of Southern California.

On Monday night Lions President, Ralph Welch, Dr. Frank R. Anderson, L. Danielson and Cleve Johnson visited the East Pasadena Den.

The Sierra Madre Lions softball team defeated Monterey Park by a score of 13 to 6 at the school grounds last Tuesday night and were to play Arcadia last night.

Stringent Traffic Laws  
Effective September 19

A sheet of new traffic laws, most of them aimed at curbing California's mounting highway carnage, become effective September 19, 1947.

Probably of greatest interest to most drivers are new laws permitting right turns against a red signal light and requiring slow-moving vehicles to keep as close to the right-hand edge of a roadway as possible.

A right turn against a red light is permitted after a complete stop only when traffic is clear and when the intersection is not posted against such procedure.

Other important new legislation effective September 19th is as follows:

Requiring the Department of Motor Vehicles to suspend the license of anyone convicted of drunk driving for the first time for 90 days instead of 30 days and changing the suspension period for a second conviction from 90 days to one year. The court would be required to forward records of conviction to the Department within 10 days.

Prohibiting passing on the right by driving off the paved or main portion of a roadway.

Relieve drivers on divided highways of the necessity of stopping for school buses discharging or loading passengers on the opposite roadway.

Holding a driver responsible for action of persons riding on

LACK OF EVIDENCE  
BRINGS RELEASE  
OF LOCAL MAN

Apparently a victim of circumstances, Andy Bates, Sierra Madre resident, was released from Los Angeles County Jail Monday according to attorney John L. Fitzgerald, after investigators showed lack of sufficient evidence to go to trial on grand larceny charges.

According to police records, Mrs. Marie McCarthy, who resides with her mother, Mrs. J. G. Adelmeyer, at 439 East Highland, reported that \$150 had been removed from their homes while she and her mother were in the garden.

The old Tennessean who had stopped at the house to ask if they needed work done, was questioned by police and held for investigation. Officers from the Sheriff's Sub-station in Temple City removed him to County Jail for questioning where he remained until Mr. Fitzgerald obtained his release on grounds of insufficient evidence.

Police here reported that a billfold containing the missing money was found in the garden of the Adelmeyer home and a purse, also missing, was recovered on Michillinda Avenue by a resident.

LOCAL DELEGATES  
ATTEND REGION  
FEDERATION MEET

Miss Clara Sykes and Mrs. Gay Bettencourt attended a meeting Wednesday for the Presidents of the Women's Clubs belonging to Region No. 2 of the Los Angeles County Federation of Women's Clubs in Rosemead. Miss Sykes represented the Sierra Madre Woman's Club and Mrs. Bettencourt attended as President of the Sierra Madre Civic Club.

The Presidents' co-operation was asked in securing a large attendance at the Community Round Table to be held Monday, September 8 at 10:00 A. M. in the Community Methodist Church, corner of Main and Mariposa, in El Segundo, with the El Segundo Women's Club members as hostesses.

Gas Tax Apportionment Up  
If Population Shows RiseBevan Kiln  
Leases The  
Suman Plant

The NEWS learns just before going to press that the Suman Pottery plant has been leased by Charles Bevan, "Kilns of California," and the Suman will transfer their operations to their subsidiary plant in Azusa, effective September 15.

The business of the Bevan plant on Montecito has grown to such proportions that additional space was needed and the new quarters will enable them to employ more workers.

Mr. Suman states they have owned property in Azusa and have been operating there for some time, but they will retain their home and many interests here.

Monrovia To  
Net \$36,000  
For Streets

An appropriation of \$36,747.36 in county gasoline funds was voted to the city of Monrovia by the County Board of Supervisors last week for improvement of portions of 13 local streets.

The resolution making the money available to the city said the funds also may be used for reconstruction of curbs, gutter and sidewalks and construction and reconstruction of drainage facilities.

Supervisor William A. Smith motioned approval of the allocations which were recommended by Road Commissioner O. F. Cooley.

PITY POOR DAD  
ON A NIGHT  
LIKE THIS!

All Sierra Madre Girl Scouts and Brownies, armed with wieners and buns and their fathers, will turn out Wednesday night, September 3, for a cook-out at the Youth Hut to finish up the Summer activity program.

Fathers will build fires and superintend cooking, daughters will eat and sing, and any mothers who have not agreed to send a bowl of potato salad should please contact the editor of this paper. Quick.

In a thoroughly relaxed mood which indicated that the strain of budget-making was over, the City Council Tuesday night held one of the shortest meetings on record, main outcome of which was authorization of City Attorney Thomas A. Reynolds to obtain prices on a city-wide census.

According to Mr. Reynolds, the city is eligible for one eighth of a cent raise in gas tax monies, which is paid out on the basis of population.

Last Federal Census here listed 4581 residents in 1940, but a recent estimate by the Los Angeles County Planning Commission has placed 1947 figure at 5962. Mr. Reynolds said, pointing out that other estimated figures, based on increase in electric and gas installations between 1940 and 1947, placed the present population at 5680.

He said he would obtain prices on securing a federal count, the only accepted basis for a gas tax proportioning.

Street Superintendent Joe Swanson was authorized to purchase a gas hammer paving breaker for a sum of \$405 already set aside in the budget for that department.

The "Tin Barn Players" were granted use of the Park House on regular nights for rehearsal of community theater projects.

The Council accepted the auditor's report for the quarter ending June 30, and instructed City Clerk Lawrence B. Brain to make correction of typographical errors on specified minutes of May 13, May 27 and June 25.

By unanimous vote, the recently granted salary increases for city personnel were made retroactive to July 1 instead of August 1 as originally granted.

Second reading was given the new bicycle ordinance which requires registration of all bicycles with the Chief of Police, and another reading also was given the tax ordinance.

A motion was made and carried "that demands totalling \$3434.13 be paid."

LABOR DAY  
SCHEDULE

The Bank of Sierra Madre and all stores in the community will be closed Labor Day, Monday, September 1. The office of the NEWS also will be closed and it is requested that news items and advertising be in as early as possible.

## DAKOTA PICNIC

The annual summer picnic for all South Dakotans residing in Southern California and all persons from South Dakota now visiting in California will be held in Sycamore Park Grove, Sunday, August 31.

SIERRA MADRE'S SCREWY SCAVENGERS—Betty and Al Anderson of Woodland Drive, manage a grin at emcee Ralph Edwards as he announces that on September 6, when "Truth or Consequences" returns to NBC air, they must present the fabulous items which they have been pursuing since Spring. After a world-wide hunt, the young couple will win fantastic prizes if they have collected a hair from the eyebrows of John L. Lewis, a portion of Ghandi's sheet and a hambone signed by vegetarian George Bernard Shaw and several other hair-brained items.

## Lightweight Chassis Tested For Rose Parade Floats

NO HOT ROD—but a new type of float chassis under consideration for use in the 1948 Tournament of Roses. E. Felton Taylor, chairman of the Tournament of Roses Float Construction Advisory Committee, takes the wheel to give the vehicle a preliminary test. The chassis is 20 feet long and 4 feet wide and is powered by a 5½-horsepower motor with motorcycle transmission and with midget race car wheels. Advantages of the new chassis, according to Mrs. Isabella Coleman, veteran float designer, is that it is economical and permits safer driving conditions because it can be run forward instead of going in reverse as was necessary for many of the vehicles used previously. The chassis was tested by hauling a 1400-pound load up the hills near the Rose Bowl. Supervising the test were Theodore J. Broadhead, newly-appointed Tournament manager; Lt. Col. J. W. McCall, Jr., F. W. Pomeroy, Ed Allen, A. Ray Benedict, Mrs. Coleman and Mr. Taylor.

## Fall Program Mapped For Boy Scouts By District

At the district meeting of Boy Scouts of America which was held in the William Kinney home Monday evening, August 18th, Mr. Kinney reported on the Board of Directors meeting held recently in Pasadena, and spoke of the success of the two summer camps at Camp San Antonio and Cherry Valley on Catalina Island.

R. Barrett, Neighborhood Commissioner, reported on the condition of the Scout troops in Sierra Madre and plans for a Roller Rink party to be attended by the Scouts, their parents and friends. This affair will take place the first Sunday in September, in Pasadena.

Edward Davey, Advancement and Awards chairman, told of

the plans for the next Court of Honor, scheduled for Monday the 13th of October, in the School auditorium. A motion was passed to hold four Courts of Honor a year; in October, December, February and May.

Lewis McClelland was appointed Dean of Counselors, with the duty of organizing the Scouters who will be in charge of the Merit Badge Awards for the boys.

Paul Carter reported on plans to make Orchard Camp an overnight camping spot for the boys. He obtained the permission of the Forest Service for this camp, with the provision that storage fireplaces and health facilities be installed by the District Committee. The property is owned by the City of Sierra Madre and the City Council has recently passed a resolution favoring the project for the youth activities of Sierra Madre. The administration of the project has been placed in the hands of the Scout Committee.

Mr. Carter was appointed Camping and Activities Chairman of this district by Mr. Kinney and was commended by the committee for his work on the Orchard Camp site.

Mr. McClelland, Organization and Extension Chairman, stressed the need for more boys in Scouting and suggested a school assembly for this purpose after the opening of school in September.

Milton Goldberg, Leadership and Training Chairman, spoke of the feasibility of Scout Training programs to be held in Sierra Madre, and said that this program will be held here in the Fall, if enough adult Leaders register. At present it is necessary for Scouters to obtain their training in the Pasadena Council.

Dr. Harry Morley, Mr. Goldberg, and William Stoddart were appointed to serve as Nominating Committee for the coming year which opens in October after the meeting. Refreshments were served by Mrs. Kinney.

## Skyway From Here To D. C. Approved

Designed to facilitate cross-country travel of private fliers, the first transcontinental skyway for personal airplanes has won official approval of the Civil Aeronautics Administration, with the formal announcement released today in Washington, D. C., according to C. S. Beesmyer, president of the Los Angeles Chamber of Commerce, co-sponsor of the project in co-operation with the Washington Board of Trade.

With designation of Skyway 1 between Los Angeles and Washington, D. C., an intensive program will be launched at once among more than 5000 cities and towns along the route to speed completion of the skyway marking, Beesmyer said. The general route will run from Los Angeles to Abilene, Texas, branching there into a northern leg through Midwest population centers and a southern leg across the South to Georgia and on to Washington.

## Riding to the State Fair

Ride 'em cowboy—or rather we should say cowgirl. Yes, that's right, it is a strange mount that pretty Mickey Codnoritz has, but it is one of hundreds of pieces of machinery which will be on display in the \$1,000,000 farm machinery show at the California State Fair, August 28 through September 7 at Sacramento. This piece of post-war equipment is a one man tractor for use in gardens and small crop preparation.

## FOUR DAY EVENT MARKS CALIFORNIA'S 97th BIRTHDAY

California's 97th birthday will be observed with a gala four-day celebration in Long Beach, Los Angeles County, beginning Saturday, September 6, closing Admission Day, September 9, with a giant four-hour parade depicting the history and traditions of the Golden State.

Floats, bands, drum and bugle corps from all parts of the state have been entered in the big parade, including the famous Los Angeles County Sheriff's Mounted Posse, headed by Sheriff Eugene W. Biscailuz, who is honorary chairman of the event. Walter Hiskman of the event Walter Hiskman of Santa Ana and Henrietta Toothaker of Woodland will serve as grand marshals. More than 8000 people are scheduled to take part in the 97th birthday event.

## CASA COLINA ON THE AIR

Backed by a galaxy of stars, Casa Colina went on the air Wednesday night with the first in a series of thirteen "Children of Faith" programs. Presented first for the entertainment of the Los Angeles Junior Chamber of Commerce at noon in the Biltmore ballroom, the program later was transcribed over KMPC from 9:30 to 10:00 p. m. at which time it will be heard regularly.

## On-Spot Identifications Aid Vet In Surplus Sale

New regulations that make it easier for veterans to purchase surplus goods went into effect August 25. The new streamlined policy will eliminate a vast amount of correspondence between veterans and WAA, will save veterans much travel time and expense, and will greatly reduce paper work in government offices.

Beginning next Monday a veteran need only show his discharge to participate in any sale, but for commercial sales, instead of registering in advance, he may, at sale time, answer a series of "yes or no" questions which identify him as properly qualified to purchase surplus property for business, occupational or professional use. Those questions determine for

### RECEPTION FOR 900 GUESTS FOLLOWS BRILLIANT WALLACE-WAILES WEDDING

MRS. DONALD CLARE WALLACE

In one of the loveliest weddings of the season Elizabeth Ann Wailes, daughter of Mr. and Mrs. Charles Davenport Wailes, Jr., of 500 North Michillinda Avenue, recited nuptial vows at 8:30 Friday evening in All Saints Episcopal Church, Pasadena with Ensign Donald Clare Wallace, Jr., U.S.N., son of Mr. and Mrs. Donald Clare Wallace of Long Beach.

The bride, who was given in marriage by her father, was gown in heavy pure silk satin fashioned in period style with a tight bodice and very full skirt. The sash was embroidered in brilliant seed pearls. An illusion veil, which fell beyond the end of the long train, was held in place with a crown of illusion veiling studded with brilliant. She carried a shower bouquet of baby orchids and lilies of the valley.

Betty Jean Wallace, the bridegroom's sister, was maid of honor, and Millicent Wailes, the bride's sister, was junior bridesmaid. Mrs. Robert Hoppe, Patricia McCormack, Jean Fox, Charlotte Lieberg, Dorothea Sabin, Janet Wilkinson and Beverly Walker were attendants and Ruth Ann and Alice Erwin Elliott were flower girls.

The attendants were dressed in period style gowns of madonna blue taffeta faille and wore Mary Queen of Scots hats of matching blue horsehair. Cascade bouquets of Amaryllis and roses complemented their costumes.

The flower girls were in white dotted organdie frocks with blue velvet sashes and horsehair bonnets similar to those worn by the bridesmaids. They scattered rose petals in the path of the bride.

William Havelock Wallace 11, the bridegroom's brother, was best man and Carter Boswell, Paul Wellington Wildman, Raymond W. Shirey, Jr., Richard A. Walker, Arthur L. Markel and Ensign Charles Ward Cummings, USN, ushered.

The wedding service was read by Rev. F. C. Benson Belliss, assisted by Rev. Robert Bonhall, curate of All Saints Episcopal Church of Beverly Hills. Following a reception for 900 at the home of the bride's parents the couple left for a honeymoon at the Hotel Del Coronado and Rancho Santa Fe. They will be at home in San Diego.

Mrs. Wallace, a graduate of Long Beach Polytechnic High School, attended Ward-Belmont in Nashville, Tennessee, and received her A. B. degree from Smith College in Northampton, Massachusetts.

Ensign Wallace, also a graduate of Long Beach Polytechnic High School, attended Stanford University for three years then went to Annapolis from which he graduated with the class of 1947. He is a member of Delta Kappa Epsilon fraternity.

### LEGAL NOTICE

#### Ordinance Number 468

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, FIXING THE AMOUNT OF MONEY NECESSARY TO BE RAISED BY TAXATION UPON THE TAXABLE PROPERTY THEREIN AS REVENUE TO CARRY ON THE VARIOUS DEPARTMENTS OF SAID CITY FOR THE CURRENT FISCAL YEAR 1947-1948 AND TO PAY THE BONDED AND OTHER INDEBTEDNESS THEREOF.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:

SECTION 1: That the City Council of the City of Sierra Madre, State of California, does hereby fix the amount of money at the sum of NINETY-THOUSAND TWO HUNDRED FIFTY DOLLARS AND NINETY-TWO CENTS (\$90,250.92) necessary to be raised by taxation upon the taxable property in said City of Sierra Madre as revenue to carry on the various Departments of said City for the current fiscal year beginning July 1, 1947, and to pay for the bonded and other indebtedness of such municipal corporation for said fiscal year.

SECTION 2: The City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be published once in the Sierra Madre News, a weekly newspaper published and circulated in said City of Sierra Madre and immediately upon its adoption, the same shall be in full force and effect.

The foregoing Ordinance was adopted at a regular meeting of the City Council of said City of Sierra Madre, held on the 26th day of August, 1947, by affirmative vote of at least three Councilmen, to-wit:

AYES: Councilmen Jackson,

Schultz, Froehlich and Steinberger.

### GIRL SCOUT OVERNIGHT CAMP IN NOLLAC GARDEN

Girl Scouts of troop 6 enjoyed a sleep-out last Tuesday in the Walter Nollac garden at 507 East Grandview Avenue. Following a barbecue supper the girls gave stunts by camp fire light and closed the evening with a short sleep-inducing hike.

Local girls who took part in the evening's festivities and hot cake breakfast were Betty Kreuscher, Elva Pickett, Janet Timmons, Ruth Gerke, Nancy Morgan, Ann Carlson, Nancy Rankin, Joanne Cavalier and Marilyn Nollac. Also present were Mrs. Gertrude Gerke, leader, and Mrs. Nollac.

## Area Scout Council Ends Summer

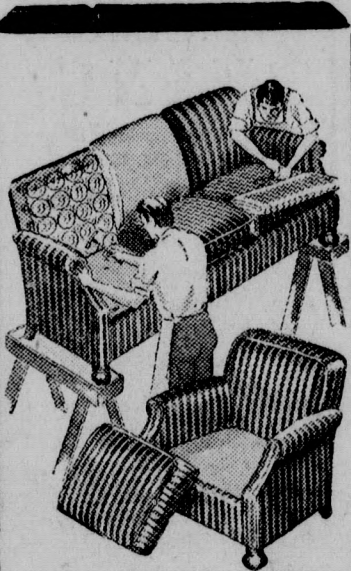

With the return of the last camp group from Camp Cherry Valley, the Pasadena-San Gabriel Valley Council, Boy Scouts of America, has closed one of its most successful camping seasons.

One of the highlights of the summer was the trip to Camp Cherry Valley, by special charter boat, of nearly fifty members of the Council Board of Directors, Camping and Activities Committee, Health and Safety, and other key Scouters and their ladies. Among those making the trip were Vice President and Mrs. William A. Kinney of Sierra Madre.

In addition to having over 500 attendance at Camp San Antonio and Camp Cherry Valley, one Scoutmaster and two Scouts are attending the World Jamboree in France, twenty-seven attended the Senior Scout Air Encampment at March Field and Big Bear Lake, forty-four attended the Utah Centennial at Salt Lake City, and a large number of Units have taken out permits for special long trips and tours.

The next big event will be the Pasadena-San Gabriel Valley Council Picnic which will be held in the Covina City Park, Saturday, September 6th. All Cubs, Scouts, Leaders, families and friends are invited.

Take care in your car.

### BALLING BABY TALK

By Maxine Balling

WOW! Last week I wrote that it would be a good idea to start early getting the school clothes situation in hand. You nice readers must have taken the tip seriously, for the Balling Baby Shop was so busy that we were all pood out by Saturday night. Anyway, many of the mothers said the nicest things about our new Philadelphia Girl Frocks, and it pleased us, for we spent a lot of time selecting the line. The styles are cute as they can be, the materials are very good broadcloths, ginghams, and other cottons, and the dresses are all well made. The prices, 3.95 and 4.95 are just about right too. A few more are coming in every few days now, so we think we can keep up a fairly good selection.

ONE NICE THING about the Philadelphia Girl Frock line is that there are plenty of "chubbies", sizes 7½ to 12½, with ample room for little gals who are pretty full around the equator.

COOL NIGHTS caused a lot of customers to ask for flannel nightgowns. We received some wonderful ones, good heavy flannel, with a beautiful blue stripe, sizes 2 to 6. They're 3.95. Some one-piece flannel pajamas came in too. The kind the boys like. Some have knit cuffs, 1.75.

"PLAY-SKOOL" TOYS are becoming more famous every year. Last week I opened up some that I had bought for the Christmas trade and they were bought up. BANG! just like that. You know, they are the bright color wooden toys with a purpose. The line includes the knockout bench that teaches little fellows to hit straight, and the mail box in which the child drops various size blocks into various size holes, the bang-a-ball, caterpillar pull, jumbo beads and block stacks. They teach young minds in shape discrimination, eye and hand coordination. Looks like I'll have to reorder before Christmas.

THE BALLING BABY SHOP is located at 401½ South Myrtle Avenue, Monrovia . . . and the phone number is MONROVIA 5981.

### OOPS!

Please don't think we wish anybody such bad luck as the gentleman above is having. Most of us at S. P. have cars and we don't like flats either. But to be sure of a care-free, puncture-proof trip—next time, try the train. It's economical, too; a chair car

trip to Chicago on the Golden State or Imperial is only \$48.79 one way, \$76.20 round trip, plus tax. (That's from Los Angeles; rates from other points may be slightly different. Consult your nearby Southern Pacific Agent.) —Advertisement

## FACTS FOR SPEEDERS

An automobile traveling at 60 miles per hour strikes with the same impact as it would if driven off the top of a nine-story building. And an automobile traveling at this pace requires, under average braking and road conditions, a distance of 242

feet to come to a full stop. Drivers should think of these facts before they "step on the gas".

If you're going to drive don't drink.

A car is a deadly weapon.

## CAMP FIRE-BLUE BIRD LEADERS PLAN YEAR AT YOUNG RESIDENCE

A meeting of the Blue Bird and Camp Fire leaders was held Monday afternoon at the home of Mrs. Lucy Young on Olivera Lane. After making plans for the coming school year's activities, the leaders enjoyed a swimming party in the Young's pool. The meeting was presided over by Mrs. C. Lauren Maltby, the Sierra Madre Camp Fire Girls' council president. The leaders present included Mesdames: Bertha Batterson, Gladys Carter, Betty Carver, Zelma Cook, Hjoridis Parker, Frances Gentry, and the hostess, Lucy Young.

## TWO WEEKS LEFT TO BAG A DEER IN COAST SEASON

Deer hunting, which has sent many a local red-capped nimrod out into the hinterland, will close in the coastal area of California on September 15. In the Sierra area, the deer hunting season will be from September 15 to October 15. In addition to the two-deer coastal area, where the season extends from August 7 to September 15, two deer also may be taken in Del Norte, Humboldt and Trinity Counties and those portions of Tehama, Shasta and Siskiyou Counties lying west of U. S. Highway 99 and 99W. The open season in these counties is from September 16 to October 15. Any person who is a resident of the Sierra area may possess, during the open season, one deer taken in the area and one deer legally taken in a two-deer area.

## LOST—ONE COMMITTEE!

As the service clubs and civic groups of Sierra Madre begin to take up active programs for the Fall, we note an omission on the committee lists—a loophole in civic consciences.

No group, so far as we have been able to ascertain, has appointed a member to participate in meetings of the City Council and report back to his organization on matters of city government.

Unnecessary? Nothing happens anyway?

Then why do the townspeople rear back and roar at decisions made in their absence. Why do we hear phrases like "maybe if the public knew about this, it wouldn't have been passed"?

Because something DID happen at a Council meeting and as much of the public as happened to be on hand WAS fully informed.

Any civic body that avows its aims to be community betterment should have members equipped to inform the rest of the organization on steps taken or proposed to be taken by the city government.

Start your civic interest at home.

### SHRINE CONCERT FOR REFUGEES

All proceeds from a concert-meeting starring Paul Robeson in the Shrine Auditorium Friday evening, September 5, will be turned over to the Unitarian Service Committee, an agency of the Unitarian Church, for aid to stricken Spanish refugees now in France, it was announced this week by the Spanish Refugee Appeal, sponsor of the event.

### MADERA GETS ITS NAME

Madera, county seat of Madera County, grew out of the demand for lumber in the east. Hence its name "Madera" meaning "wood" in Spanish. A 63 mile flume floated millions of logs from the Sierra to the railroad between 1874 and 1932.

Better to be late than never—drive carefully!

## LEGAL NOTICE

Ordinance Number 467  
AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE PROVIDING FOR THE REGISTRATION OF BICYCLES IN THE CITY OF SIERRA MADRE.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:

SECTION 1: It shall be unlawful for the owner of any bicycle propelled wholly or in part by muscular power, to operate or use such bicycle, to cause or permit such bicycle to be operated or used upon any public street, alley, highway, park or other public place in the City of Sierra Madre, without first obtaining from the Chief of Police of the City of Sierra Madre a registration certificate therefor; and it shall be unlawful for any person not the owner thereof, to operate or use any such bicycle upon any public street, alley, highway, park or other public place in the City of Sierra Madre unless such bicycle has been registered in accordance with the provisions of this Ordinance.

SECTION 2: Any person, firm or corporation desiring to obtain such bicycle registration certificate, shall make application to the Chief of Police upon forms provided by the City of Sierra Madre, setting forth the name and address of the applicant, the make, serial number and color of the bicycle, together with such information or description as may be required by the Chief of Police sufficient to identify the same. Upon receipt of such application and upon the payment of the registration fee hereinafter required, the Chief of Police shall issue a registration certificate and a metallic plate for the bicycle to be registered, which shall expire on the 31st day of December following the issuance thereof. PROVIDED, HOWEVER, that all registration certificates and metallic plates issued during the year 1947 shall be issued to expire on the 31st day of December, 1948.

SECTION 3: Said metallic plates and such registration certificates shall be numbered and shall indicate the year for which the same were issued, and shall bear the letters "S-MDRE". Such metallic plate shall be suitable for attachment to the frame of a bicycle and it shall be the duty of the Chief of Police immediately upon the issuance thereof, to attach said plate to the frame of the bicycle for which it was issued. Such metallic plate shall, be

the term of such license. The Chief of Police shall retain upon file in his office all applications for bicycle licenses, and shall also keep and maintain a record of the date of issue of each license, the person to whom issued, and the number thereof.

SECTION 4: All persons engaged in the business of buying secondhand bicycles are hereby required to make a daily report of purchases to the Chief of Police, giving the name and address of the person from whom each bicycle is purchased, the description of each bicycle purchased, the frame number thereof, and the number of the metallic license plate found thereon, if any. All persons engaged in the business of selling new or secondhand bicycles are hereby required to make a daily report of sales and purchases to the Chief of Police, giving a list of all sales made by such dealers, which list shall include the name and address of each person to whom sold, the kind of bicycle sold, together with a description and frame number thereof, and the number of the metallic license plate attached thereto, if any.

SECTION 5: It shall be the duty of every person who sells or transfers ownership of any bicycle, to report such sale or transfer, within five (5) days thereafter, by delivering to the Chief of Police the registration certificate issued to such person for said bicycle, together with the name and address of the person to whom said bicycle was sold or transferred. It shall be the duty of the purchaser or transferee of any bicycle to make application to the Chief of Police for a transfer of registration thereof, within five (5) days after said sale or transfer.

SECTION 6: It shall be unlawful for any person wilfully or maliciously to remove, destroy, mutilate or alter the number of any bicycle frame registered pursuant to this Ordinance. It shall also be unlawful for any person to remove, destroy, mutilate or alter any license plate, seal or registration certificate during the time in which such license plate, seal or registration certificate is operative; provided, however, that nothing in this Ordinance shall prohibit the Police Department from stamping letters or numbers on the frame of bicycles on which no serial number can be found, or on which said number is illegible or insufficient for identification purposes.

SECTION 7: The annual registration fee to be paid for each bicycle shall be Twenty-five Cents (\$0.25) and shall be paid in advance; and the annual fee for the renewal of any registration previously issued shall be Twenty-five Cents (\$0.25) and shall be paid in advance; and pursuant to Section 5 of this Ordinance, such registration may be transferred when the ownership of said bicycle is transferred, and a fee of Twenty-five Cents (\$0.25) shall be paid for the transfer of each registration, and a new registration certificate shall be issued. All registration fees collected under this Ordinance shall be paid into the General Fund of the City of Sierra Madre.

SECTION 8: Every person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than Three Hundred (\$300.00) Dollars, or by imprisonment in the Sierra Madre City Jail or in the County of Los Angeles Jail for a term not exceeding three months, or by both such fine and imprisonment.

SECTION 9: The City Clerk shall certify to the passage of this Ordinance and shall cause the same to be published once in the SIERRA MADRE NEWS, a newspaper of general circulation, and said Ordinance shall become effective, and in full force and effect, on and after November 1, 1947.

The foregoing Ordinance was adopted at a regular meeting of the City Council of the City of Sierra Madre, held on the 26th day of August, 1947, by the affirmative vote of at least three Councilmen, to-wit:

AYES: Councilmen Jackson, Schiltz, Froehlich, and Steinberger,  
ABSENT: Councilman Nuetzel, NOES: None,  
and was signed and approved this 26th day of August, 1947.  
J. M. STEINBERGER, Mayor.  
ATTEST: LAWRENCE B. BRAIN, City Clerk.

## FIRE FLAMES

A FIRE CALL! It is unusual. Unless we continue to be careful, we can expect more. The call was to extinguish a back yard grass fire that could have started from a match or the glare of the sun on a bottle. So far, the cause has not been determined. It is known that the yard was in a deplorable condition and that the folks responsible had been notified of the hazard. Why must we wait until fire arrives to be convinced? Yards MUST be cleaned of inflammable materials. If not, offenders are subject to a court trial.

A recent court trial brought a question from the defendant asking why the condition in her yard was allowed to exist so long before citation. Folks must understand that Sierra Madre's Fire Department is volunteer. The Chief who acts as Fire Marshal is also one of the town's policemen. To inspect back yards thoroughly would require the time of one or two men on "full time". It is impossible under these conditions for the policemen to listen for radio calls and be inspecting someone's back yard at the same time.

The volunteer men are busy at their own employment and what little inspection is done is done on "off time". If you ap-

preciate the work of the firemen and the low fire insurance rate they are attempting to retain, then you are obligated to follow their suggestions and to work with them. And by all means, keep your own back yard clean and if your neighbor insists on endangering your safety, we urge you to give us a call. We assure you that the neighbor will be notified and the fire hazard removed.

The gathering of firemen at the Hansen Garage last week brought out smoke eaters from all parts of the valley and County. The local men learned after the meeting that the men who form the Hansen Garage Organization are good hosts and genuine good fellows. Jack Kinsey, the manager, was surprised, (as were the firemen) to learn that "Alex" Muir, foreman is somewhat of a musician. Some of our men are not slouches either, when it comes to spreading song and music over the air. "Gene" Toms, Tom Solury, Charlie Brown and Ed Decker made what might be called the "Squawking Hawkers". With Gene as Bass, Charlie as tenor, Tom Solury at lead and Ed as baritone, we must admit, it was a melodious noise.

Entertainment was added when two talented daughters of George Norris gave dance numbers much to the pleasure of the gathering. Piano playing furnished by Sierra Madre's friend and standby, Eddie Brubach, was the feature of the evening. We realize how lucky we are to have this fine musician to rely on for this annual event.

The firemen deeply appreciate the whole hearted support of the Hansen organization in making the occasion a success.

Another important meeting to firemen before the State Convention will be held all day at Balboa, today, at which time the many resolutions for the betterment of firemen and the communities in which they serve will be discussed. A few of the local men will attend.

Altho' the fire call last week was not a serious one, it proves our alertness as necessary and our carefulness of great concern. We certainly cannot relax with our fire prevention. We

must avoid the things that develop fire; we must rid the property of inflammable materials in places where they are accessible to matches, hot sun, heat, and rodents; we must avoid the accumulation of rags, and papers in corners where they are liable to be forgotten; and keep the FIRES OUT.

The U. S. Navy had a total of 319 active combat vessels on January 1, 1947.

The U. S. Navy has released nearly 80 per cent of its war surplus.
